

## ICONMA's Offshore Development Center Receives Oracle's Gold Level Partnership Certification

**Troy, MI, March 25, 2015** – ICONMA's Offshore Development Center Receives Oracle's Gold Level Partnership Certification.

Achieving this partnership allows ICONMA authorization to sell Oracle's entire portfolio of products, which encompasses database, middleware, storage, and server systems as well as packaged applications and industry solutions.

As a Gold partner, ICONMA can offer specialized solutions to Customers by leveraging Oracle Support Knowledge base and business development team within Oracle Partner Business Center.

The benefits as a Gold partner includes providing discounts on products and services, and access to Oracle's partner business centers.

Please contact us at [sales@iconma.com](mailto:sales@iconma.com) to learn more how we can enhance your solutions through our Oracle Gold Level Partnership.

### About ICONMA

Certified by the Women's Business Enterprise National Council and the National Women Business Owners Corporation, ICONMA is a woman-owned consulting firm providing professional services and solutions to a broad range of Fortune 1000 organizations nationwide. ICONMA was founded in 2000 on the principle that success is derived from delivering high quality service while being responsible, flexible, and innovative. Commitment to this principle has led ICONMA to become a certified and multiple award-winning organization that guides our clients to operate more productively and to improve profitability, top-line growth, customer service, and cost management.

### About Oracle

Oracle engineers hardware and software to work together in the cloud and in your data center. For more information about Oracle (NYSE:ORCL), visit [www.oracle.com](http://www.oracle.com).
